Gym time: we will be doing
tumbling and parachute activities.

Shoes: Children should have **tennis shoes** that they can wear during school time. Either send each time, or label and leave in their lockers. Thanks!

Extra Clothes: They will be sent home over Christmas Break. Please **send 'new' ones back** to school in January (children tend to grow!).

Snow pants: Please check to make sure your child brings home the correct snow pants each week. Label your child's with their name in case of a mix-up.

4/5's Cooking: Stone Soup

Keep reading! *It's one of the best learning 'tools'!*

Special Show and Tell: for the **month of January**, each child may bring **one** special Christmas item to share at Preschool. (Photos are a great way to share **activities**).

SAVE THAT BOX! Each child will need **one shoebox** for making a "Teddy Bear Car" for Teddy Bear Day. **Please put their name on the bottom.** Thanks!
******Needed by Jan. 9******

Teddy Bear Day will be on **Wed., Jan. 16 for the 3's Class** and **Thurs., Jan. 17 for the 4/5's.** Children need to **bring a stuffed Bear (or other animal)** that day.

Bad Weather: Please remember to listen to **KDOM 94.3 FM** or one of the main TV stations if the weather looks bad. A **late start for Mt. Lake means there will be no A.M. Class.** Early dismissal times will vary, so **please check.** Everyone should be entered into the **Alert System.** If you do not get notification please let the School Office know and they will set it up. To change the phone number, go to your account and select the number you wish.

The Workbench will be coming out soon for 4/5 classes to use. Watch for "projects" your child makes there. We go over safety rules before anyone gets to 'work'.
