

Revision February 26, 2019

Mountain Lake Public School Families,

During the past month, we've closed school nine (9) additional times due to weather conditions. We plan to adjust the calendar in order to make up time lost time.

1. School will be in session for "Easter Monday", **April 22, 2019**.
2. School will be in session for Wednesday, May 22, 2019.

On Thursday, February 28, the School Board is expected to approve the use of up to five (5) E-Learning Days to be used between now and the end of the school year.

E-learning days may be used to make up time lost due to cancelations. They are counted as "school days" as long as students are provided instruction (or instructional activities) by teachers.

Sincerely,

Bill Strom
